

The Power of One: AccuroEMR

With everything your practice demands, wouldn't it be nice to manage it all from one place? Welcome to AccuroEMR. Its configurable clinic management modules streamline your workflow on all sides, and its new integrated virtual care component – **Accuro Engage** – lets you **connect with patients easily and securely, right from the EMR**. Discover why Accuro is Canada's largest single-platform EMR, and why it's chosen by more clinics than any other.

With AccuroEMR, you get:

- ✓ Family Practice-specific forms and tools
- ✓ Secure video visits and patient messages from within Accuro
- ✓ Convenient online booking options that make scheduling easy for you and your patients
